DETAILS Floyd Mayweather Jr first came to my home where the kids and I live and harrassed me about people I'm dating in my spare time when I told him it was none of his business he began to say threatening things to me so I called the police. The police said because he owned the home even tho he did not live there he was able to come over as he pleased. The police gave me a incident number and made him leave I laid on the couch fell asleep a woke up to him saying I have your phone are you having sex with CJ I said yes that is who I am seeing now. Then he grabbed me by hair threw me on the ground & started punching me on my head with his fist and twisting my arm back telling me he's going to kill me and the person

that I am with and have us disappear. He kept punching me in my head on the top of my head and the back of my head. I tried to fight my way off from him on top of me then he was trying to break my arm by twisting it behind my back. I screamed for the kids to call 911 or run to the gate to get help then Floyd said he will beat there ass if they call or leave the house the kids got out the front door and started running to the gate to get help when he chased after the kids I ran out the garage screaming for help to the guards. Once I got into the guard gate they called the police and I waited there until police and ambulance arrived.

The first time he was at my home he threw 200.00 at me to give to my daughter for losing the tooth she lost the day before.

As he was beating me he stole my phone and told me he was going to have me and CJ both taken care of and disappeared. and dismangle me so now one will ever want to date me again.
